General terms

Other legislation

In general, the applicable sections of the Insurance Contracts Act (SFS 2005:104) apply.

Double insurance

The insurance does not cover costs or claims which have already been settled by another insurance company or credit card company. Each insurance company is, however, liable towards you as if the insurance company was solely liable for the claim. The insurer has right of recourse, and the amount of liability will be allocated among the insurance companies in proportion to their respective amounts of liability.

When you make a claim, you are obliged to inform us of any insurance policies which have been taken out with other insurance providers and/or if you have paid for *the trip* using a debit or credit card which includes insurance cover.

Recourse and recovery of compensation

To the extent that you have received compensation under this insurance policy, ERGO Försäkring joins in your right as the insured person in relation to third parties. The term "third parties" refers to private companies or public authorities/agencies in Sweden or abroad who are, or may become, liable to pay compensation or a proportion of the amount of compensation in connection with the settlement of a claim under this insurance.

Reporting damage and payment of compensation

In the event of a claim you must report the claim as soon as possible by filling out a claim form on our website: www.erv.se. If it is not possible for you to fill out the claims form online, you can contact ERGO Försäkring for assistance. Information on required documents, in addition to the claim form, can be found in these terms and conditions under the applicable insurance section 1.5 and 2.7.

Limitations

Claims that are not made in accordance with these terms and conditions may result in reduced or no compensation.

Right of withdrawal

Under the provisions of the Distance Contracts And Off-Premises Contracts Act (SFS 2005:59), the following applies:

For insurance policies with a period of insurance longer than one (1) month, you have the right of withdrawal from the purchase of the insurance within 14 days from the date on which you entered into the contract.

The deadline is counted from the date on which the insurance contract is entered into, i.e. when you received the insurance policy and the terms and conditions of the insurance. If you want to exercise your right of withdrawal, you must inform ERGO Försäkring of this in writing before the deadline. If you decide to exercise your right of withdrawal, ERGO Försäkring is entitled to request that you pay a proportional premium for the period during which the insurance was valid.

Incorrect information

It is essential that all information, including information on health, which is submitted to ERGO Försäkring is complete and correct. If information is withheld or if incorrect answers are provided to questions which may be important for ERGO Försäkring to settle claims, compensation may be reduced or withheld entirely.
